HASSAN DISTRICT.

Resale Notification dated 27th August 1938.

It is hereby notified for the general information of the public that the exclusive right of collecting Alale on all Government unoccupied lands, Amrithmahal Kavals, State Forests, Reserved Lands and Plantations in Arsikere Taluk for the year 1938-39 (from date of confirmation of sale to 30th June 1939) will be sold by public auction on Monday the 19th September 1938 at 2 P.M., in the District Forest Office, Hassan, by the Deputy Commissioner, Hassan District or any officer deputed by him with the help of the District Forest Officer, Hassan District.

2. For further particulars, *vide* Chief Conservator's detailed Notification No. D1—88-866/37-38, dated 21st April 1938, published on pages 661-664, Part VI of the *Mysore Gazette*, dated 28th April 1938.

N. VENKATARAMAIYA,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 22nd August 1938.

The attention of the public is invited to the notification, dated 22nd August 1938, relating to the auction sale of timber, etc., in the following Sale Depots of this Division, published on pages 1456-1457, Part VI of the *Mysore Gazette*, dated 25th August 1938:—

1.	Saw Mill, Shimoga	.. 12th September 1938	From 8-30 A.M. to 12 noon and from 2 P.M. to 5 P.M.
2.	Timber Depot, Shimoga	.. 13th September 1938	

Abstract Notification dated 29th August 1938.

The attention of the public is invited to the detailed notification of date calling for tenders for repairing the Settihalli Road in Shankar Range during the year, published on pages 1496 and 1497, Part VI of the *Mysore Gazette*, dated 1st September 1938.

Sealed tenders for the work will be received by the undersigned upto 2 P.M. on 16th September 1938.

P. KRISHNASWAMI RAO,
District Forest Officer.

SAGAR FOREST DIVISION.

Abstract Notification dated 5th August 1938.

The attention of the public is invited to the detailed notification published on pages 1458-14[illegible], Part VI of the *Mysore Gazette*, dated 25th August 1938, regarding the auction sale of timber in the following Depots on the dates noted against each as detailed below:—

Sagar Depot	16th September 1938.
Anandapuram Depot	19th September 1938.

D. NARASIMHAMURTHI RAO,
District Forest Officer.

BHADRAVATI DIVISION.

Notification dated 30th August 1938.

The undermentioned quantities of timber will be sold by public auction under the following conditions at the following depots by the District Forest Officer, or any other Officer, deputed by him for the purpose on the dates noted against each:—

Name of Depot or Tenko	Teak	Other Produce				Date of sale
		Small Bamboos		Big Bamboos		
		18'	9'	18'	9'	
Kudligere ..	350	..	..	..	..	19th September 19[illegible]
Siddapur ..	580	..	..	..	..	20th September 19[illegible]
Joldhal ..	120	2,000	1,490	450	300	

N.B.—The above quantities are only approximate.

The sale will be held from 2 P.M. to 5 P.M.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of Land Revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1939. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

Ordinarily, no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at the rate in force.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed, as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum s

forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification dated 3rd September 1938.

Sealed tenders for the preparation of charcoal by direct burning and in cast iron and country kilns, filling the same into bags, stitching and carting to rail heads for supply to Mysore Iron and Steel Works, Bhadravati and for the collection of siding and coupe fuel, will be received by the District Forest Officer, Bhadravati Division, upto 4 P.M. on Wednesday the 21st September 1938.

2. Each tender should be superscribed "Tender for the Preparation and Supply of Charcoal and for the Collection of Siding and Coupe Fuel" and should be accompanied by a deposit of Rs. 50 in currency notes in each case.

3. The localities in which charcoal has to be prepared and fuel lots to be collected and the name of siding to which they have to be carted are detailed below.

4. The District Forest Officer, Bhadravati, will be at liberty to accept or reject the lowest or any other tender without assigning any reason therefor. In the case of unsuccessful tenderers, the deposit paid by them will be returned.

5. Within 15 days from the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 100 and execute a bond on a duly stamped paper binding himself to the conditions noted below, failing which the earnest money already furnished will be forfeited to Government and the contract cancelled.

6. Rate should be quoted per bag of 48" × 29" size and per ten-ton lot of fuel measuring 34' × 8' × 4' separately for different items of work in each locality as per details given below.

7. The particulars of working centres and the approximate quantity to be prepared and supplied from each working area have been detailed in the annexed statement.

8. The contractor is responsible for filling bags with good and screened charcoal, stitching them, carting to railheads and loading into waggons. Bags, thread, needles required for the purpose will be supplied to them through the Mysore Iron and Steel Works, Bhadravati, on indent near the station yard to the duly authorised person.

Conditions.

(1) Only such of the trees as are not marked by the Range Officer in charge of fuel work should be felled.

(2) While doing the works the contractor should see that no damage is caused to any tree by negligence in felling or cutting or dragging any tree or by striping off the bark or the leaves otherwise. The contractor should not fell, cut, girdle or injure by fire or otherwise any tree which is not itended for felling.

(3) For bad coppicing an amount to be specified by the Sub-Division Officer will be deducted from the Security Deposit of the contractor.

(4) Similarly, for felling of teak, honne and soft wooded species unfit for charcoal in the area allotted to him.

(5) Felling of trees outside the coupes is prohibited.

(6) All the fuel felled out of a tree should be utilised.

(7) Felling should be made in a methodical manner from one side leaving the standards marked on the area in tact along with the trees less than one foot in girth; trees yielding Minor Forest Produce and all trees that are within a radius of six feet from sandal trees and saplings should not be cut.

(8) The tools and other instruments required for the work should be provided for by the contractor himself. In burning charcoal, the contractor should not kindle any fire in such a manner as to endanger the forest growth.

(9) The area should be worked from one end to the other thoroughly and not in patches here and there.

(10) The bags should be carefully handled and well looked after.

(11) The tenderer should not sublet his work. The contractor or his duly authorised representative must be at the work spot always.

(12) The minimum weight of each bag of charcoal should be not less than 90 lbs. For short weight deductions will be made on the basis of 27 bags per skip charge.

(13) No advance will be granted for the works under any circumstances. Payments will be made only on bills passed by the Sub-Division Officer and supported by the acknowledged receipts of the Iron and Steel Works once a fortnight.

(14) The contractor will be responsible for the acts of his coolies. A list of agents appointed should be supplied and the contractor or one of his agents should personally supervise the work.

(15) If the contractor fails to supply the stipulated quantity each day, his contract is liable to be cancelled making him responsible for all the losses that might occur therefrom.

(16) The orders of the District Forest Officer in all matters connected with the contract are final and in case of any breach of the rules, he may fine the contractor to the extent of Rs. 100.

(17) The contractor is held responsible for the loss of bags or materials in transit.

(18) The charcoal prepared by the contractor should be without braize and also free from ash, bits of fire, etc. In cases where badly filled bags or charcoal containing braize are supplied, the District Forest Officer will be at liberty to disallow the charges on any percentage that he deems fit.

(19) All the instructions issued by the concerned Range Officer should be adhered to.

(20) The amount deducted from the Security Deposit should be made good from the next bill.

(21) For the day or days on which the contractor fails to supply the allotted quantity of charcoal, he will be liable to pay a penalty of 3 pies per bag on the number of bags due to have been supplied unless the Sub-Division Officer certifies that the failure was due to circumstances beyond the contractor's control.

(22) The contractor shall abide by the rules of the Department as regards the kindling of fires and shall hold himself responsible for any offence that may be committed by him, his agents, employees or workmen.

(23) Temporary cart tracks should be got done by the contractors themselves at their own cost.

(24) During the fire season the contractor shall make a 20 feet line around the yard and fire trace it at his expense.

(25) The contractor shall maintain an account of the yield of charcoal in each yard separately for check by the Departmental officers of and above the rank of a Range Officer.

(26) In the case of lots taken up for carbonisation, the contractor shall issue a receipt for all lots handed over to his charge and the lots carbonised in the order in which they are received by him. The contractor will be held personally responsible to see that all the lots are carbonised and despatched to Mysore Iron and Steel Works. If he does not satisfactorily account for the lots received by him he will have to make good the value thereof at the rates to be fixed by the District Forest Officer.

(27) The contractor should build the siding and coupe lots according to the measurements given above, *viz.*, 34′×8′×4′. If the lots are not properly built according to specifications and if packing is not in order, the officer passing the lots will be at liberty to disallow any portion of the lots as penalty for such bad work and the decision of the passing officer will be final. Payments will be made only on the net number of lots passed and no payment will be made on fractions of lots.

(28) The lots should be built only at the places to be pointed out by the Range Officer. For lots built beyond the prescribed limit the contractor will be required to pay any amount that may be fixed by the passing officer as reasonable for any subsequent extra expenditure that may have to be incurred in that connection. Such amount will be deducted from the bill of the contractor.

(29) If the contractor fails to do the work sanctioned in his name on tender separate arrangement will be made by the Department for getting through the work holding the contractor responsible for any loss that the Department may sustain thereby, besides forfeiting his security deposit in whole or in part as the District Forest Officer thinks necessary.

ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 29th August 1938.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 19th September 1938, for laying underground pipe sewers in Gavipuram Extension, Bangalore City. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by December 1938.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 400 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for laying underground pipe sewers in Gavipuram Extension, Bangalore City", in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer who does not bind themselves to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.
